

Four Steps to Safer Ridesharing

Apply

Driver applies online for a San Antonio Police Department background check.
www.sanantonio.gov.

Fingerprint & Database

The San Antonio Police Department facilitates Driver fingerprinting, which is processed and run through a national FBI database to check for any criminal history.

Photo & ID Badge

After passing background check and having photo taken, Driver picks up identification card from SAPD's Ground Transportation Unit.

Upload

Driver uploads verification to the ridesharing app, where riders will be able to see it.
